

Project: Snow Canyon Roundabout Street Intersection Improvements

Recipient: City of Ivins

Location: Ivins, Utah

Purpose: This project seeks to improve the intersection of Snow Canyon Drive and Snow Canyon Parkway in Ivins by constructing a roundabout to handle existing traffic congestion, which is expected to increase as the City develops. This intersection serves as a major arterial street and would improve the flow of traffic for this high-use road.

Amount: \$1,370,000
